

Virtual Learning Day #1

Math: Snow Date of January 5, 2017

Students will be able to practice their skills using the interactive game/activity:

http://www.mathplayground.com/fractions_mult.html (This game allows practice multiplying and simplifying fractions- it will inform the student if they have the correct answer)

Math: You will need to complete the following for a grade:

Log in to ixl.com

They will go to Math, 5th grade, scroll down to
M.28 Multiplying Fractions and Mixed Numbers in a recipe.

Practice completing the activity, you should move on after you receiving 80% or higher on ixl.com:

- After you have practiced on ixl.com you may complete the following game for additional practice if they would like.

http://www.mathplayground.com/ASB_SnowSprint.html

Video Links to help you with multiplying fractions: These are just to help you if you get stuck.
